98-170 and NSD File No LOO-72.

Dear FCC:

I am writing to complain about the proposed changes to the Universal Service Fund and requesting that the FCC investigate this matter further before changing the current policy. Your proposed \$1.00 per month charge for all wireless phones will directly impact my ability to retain my wireless service.

I do **not** think it is fair to charge EVERYBODY \$1.00 dollar regardless of how they use their wireless phone, especially for a low-volume **user** that relies on wireless service for safety and security, not interstate calls. The current policy is fair, based on interstate usage, and should be left alone. Please do not penalize us. Keep this fair.

Since I am 75 years of age, handicapped and on a small pension, I use my wireless service for safety and if I break down on the road. I can't just walk to a phone so it's important to me to have a wireless phone with me at all times. That extra \$1.00 a month would put a strain on my **pocket**.

Please don't pass this policy on to us.

Thank you for your prompt attention to this matter. Please provide a written response indicating the **status/resolution** of this matter.

Very truly yours,

Alex K. **Gray**
